FOR IMMEDIATE RELEASE

INTRODUCING ON-DEMAND, SANITARY THERMAL WELLNESS TECHNOLOGY

Groundbreaking water-activated mineral energy ensures luxurious thermal wellness treatments (warm or cold) lasting up to 90 minutes

Spa Revolutions' engineers have recently patented a breakthrough system of four, water-activated **thermaBliss® Charges™** one cooling, that enhance treatments across all areas of spa, beauty, and wellness while eliminating the need for electrical appliances.

With roots fifteen years long in the spa and salon industry, the innovative company bringing the patented mineral energy technology to market, has already revolutionized paraffin and heated massage with self-heating and cooling, PerfectSense Paraffin® and therma**Bliss**® Stones™/Shells®.

The power of thermal wellness technology comes in portable, lightweight, appliance-free stick packs that impacts other industries beyond wellness, health, including food service and delivery, outdoor and on the go as well as medical and military. It offers game-changing levels of thermal enhanced treatments to mobile spa operators - the fastest-growing segment of the spa industry, which serves hotel services, in-home/VIP, special events and corporate wellness programs.

All therma**Bliss** Charges (Level 1.0 Body, Level 2.0 Body, Facial Blend, and Glacial Blend) activate with standard tap water anywhere on planet earth to create professional thermal wellness applications lasting 90+ minutes.

therma**Bliss** Charge technology delivers cost-effective, on-demand, portable heat featuring: '

- Thermal Wellness Applications lasting up to 90 minutes
- Sustained mineral energy activated instantly with water
- No appliance, no battery, electricity-free, flame-free – safe
- Portable, lightweight & compact
- client-exclusive, single-use and sanitary

Enhancement Tools include:

- MASSAGE: therma**Bliss** Shells/ therma**Bliss** Stones/Glacial Shells, ThermaHerbal Poultice
- SKINCARE: ThermaFusion Facial Masque, Paraffin Anywhere
- MANI/PEDI: PerfectSense Paraffin, Paraffin Anywhere
- WAXING: Depilatory Anywhere

The recent therma**Bliss** Charge technology breakthroughs, powered by LavaGel® have facilitated compact, lightweight stick pack solutions, containing the natural minerals iron, magnesium, and salt for on-demand activation, onsite with tap water. This innovation has enabled the current dynamic expansion of thermal wellness solutions.

The therma**Bliss** Collection has been awarded Dermascope Magazine's 2020 Aesthetician's Choice Awards Best Massage Product and is already embraced by the crème de la crème of the spa marketplace, including marquee properties such as Cal-a-Vie (*Travel+Leisure* World #2), prestigious Manhattan Mandarin Oriental, and dozens of other standard-setting properties. Spa Revolutions' is dedicated to empowering credentialed practitioners who share their mutual passion for enhancing the client experience. Globally, over 4,000 leading spas, salons, and wellness centers use therma**Bliss** thermal wellness enhancements to improve outcomes, delight clients, and increase profits.
